

JOIN THE ANNUAL FOUNDATION FAN CLUB!

There are many ways you can support the work of Truman Heartland Community Foundation. When you join our Annual Foundation Fan Club, your gift allows us to continue to improve area communities by promoting and serving private giving for the public good.

Your tax-deductible donation provides the support needed to more effectively operate programs that are above and beyond our services to donors:

Educating Future Philanthropic Leaders

The Youth Advisory Council engages more than 180 student leaders from 13 Eastern Jackson County high schools in our philanthropic work. Students review youth-related grant requests, participate in community service and raise funds to grant to local youth-serving charities.

Addressing Community Needs

Our Community for All Ages Coalition focuses on addressing the needs of our growing 50+ population and trying to ensure that services and resources are available to meet the needs of all members of our community. To date, more than 60 community leaders are involved in service on the Coalition.

Community Voices

Our four Advisory Boards strengthen our connections to local communities by involving more than 70 community leaders from Blue Springs/Grain Valley, Independence/Sugar Creek, Lee's Summit/Lake Winnebago and Raytown. Members play a vital role in developing and allocating resources for local charities.

Your annual membership helps advance our mission to "improve area communities by promoting and serving private giving for the public good".
